Northern Marine and Clyde Marine select Onboard Maritime digital training

Marcus Hand | Oct 30, 2023

Onboard Maritime is to provide its digital learning platform to Northern Marine Group and Clyde Marine Training for international cadet training.

The digital learning platform will be used to support the training of cadets in India, Trinidad & Tobago and South Africa.

The platform will provide cadets with resources aligned to STCW (Standards of Training, Certification and Watchkeeping) training competencies, as well as support and guidance for completion of their training record.

Thomas Campbell, General Manager of Clyde Marine Training, said, "Northern Marine Management and Clyde Marine Training are delighted to be working with Onboard Maritime internationally in the delivery of the Cadet Development Programme. On the back of the success of the UK programme, it enhances learning opportunities for our international students."

Angus Ferguson, CEO and founder of Onboard Maritime said, "We're thrilled to announce the expansion of our service offerings to encompass the Cadet Development Programme internationally into India, South Africa and Trinidad & Tobago.

"It's fantastic to be in a position to continue develop our suite of services and continue our strategic partnership with Clyde Marine Training and Northern Marine Management."
