

# MSC announces temporary port rotation change to Gulf to SAEC String 1 Service

October 31, 2023

MSC Faith / Source: VesselFinder

MSC has decided to temporarily adjust the rotation of its Gulf to SAEC String 1 service to enhance schedule reliability.

This decision will be effective from today (21 October).

Therefore, the service will omit Salvador port for eight voyages, starting with GSL Arcadia 344N, with an estimated time of arrival at Itapoa on 31 October.
