## ZIM Announces Changes to its North Europe – Türkiye service (ZNT line)

Dear Valued Customers,

We are pleased to inform you that our ZNT service from North Europe to Türkiye & East Mediterranean, will now include an additional call at Piraeus Greece.

- The first vessel to load from Piraeus to North Europe is MSC Tracy V/QEH/16N
- The first vessel to load from North Europe to Piraeus is MSC Bhavya V/VUV/15E

ZNT new rotation is as follows:

Felixstowe – Hamburg – Bremerhaven – Antwerpen – **Piraeus** – Izmir /Aliaga – Felixstowe

# Customer Advisory

We wish to inform you that with immediate effect, ZNT service will no longer call La Havre port.

Subsequently, please note that the last vessels were as follows:

- From Aliaga to Le-Havre: MSC Poh Lin voy. 10W which departed on Aliaga March 12, 2024
- From Le-Havre to Aliaga: MSC Ans voy. 29E which departed Le-Havre on March 18, 2024

ZIM will continue to serve Le-Havre to Aliaga (and back) through our ZNI service via Haifa port.

We apologize in advance for any inconvenience caused and we appreciate your continued support. For further details, including regarding your cargo, kindly see our website [www.zim.com](http://www.zim.com) or contact our local sales/customer service representative.

Sincerely,

ZIM Integrated Shipping
