

CMA CGM to launch M2X - Mexico Express

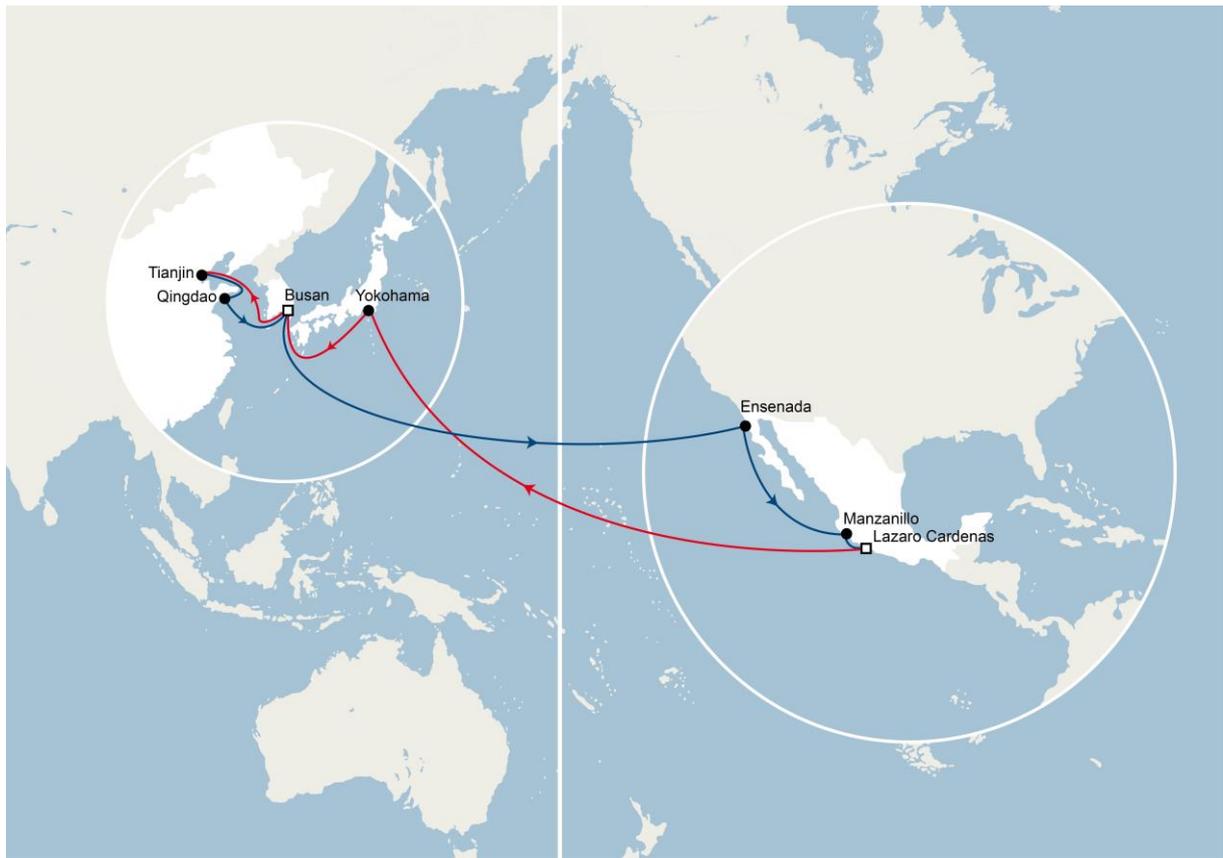

Service connecting Far East to Mexico

SERVICES UPDATES

CMA CGM is pleased to announce the launch of our new service, **M2X - Mexico Express**, specifically designed to streamline your shipments from the Far East to Mexico's West Coast. This initiative aligns with market dynamics in the region and reaffirms CMA CGM's commitment to delivering high-quality service and supporting the growth of your business.

Service highlights :

- **Rotation:** Tianjin - Qingdao - Busan - Ensenada - Manzanillo - Lazaro Cardenas - Yokohama - Busan - Tianjin
- **North China Coverage :** Direct service to Qingdao and Tianjin, providing competitive transit times
- **Reefer connection enhanced:** Directly connects reefers from Mexico and Central America West Coast with key markets in North China and Japan
- **Reliability :** Direct, fixed-day weekly service cycling with a fleet of 8 dedicated ships
- **Inaugural departure:** The first departure of the ANL WANGARATTA is scheduled for May 11th from Busan

Please do not hesitate to contact your usual CMA CGM teams should you need further information.
