### **[EUA Advisory](#)**

Sep 09, 2024

#### **Dear Valued Customer,**

As a result of adverse weather conditions and berthing delays at Santos, it has been decided the M/V Brooklyn Bridge V.173S/N will omit her Rio De Janeiro call to minimize further delay.

Rio De Janeiro imports will be discharged on her Santos northbound call, 9 September 2024 (ETA).

From Santos these Rio De Janeiro imports will be loaded on M/V Navios Domino v.014N, ETS Santos 14 September 2024 and ETA Rio De Janeiro 15 September 2024.

Rio De Janeiro export cargo will be loaded onto the next LUX vessel, M/V Navios Domino v.014N (ETS 16 September 2024).
