Congestion Surcharge

**For all cargo destined to the U.S. East Coast Ports/U.S. Gulf Coast Ports
from All Origins**

Dear Valued Customers,

Effective October 26th (based upon cargo receipt date at origin), the following congestion surcharge will go into effect.

CONGESTION SURCHARGE AT DESTINATION (CGD)

Unless otherwise specifically indicated in a particular rate item and/or individual service contract, the following Congestion Surcharge (CGD) will be assessed on:

Surcharge Code	CGD
Loading	From all origins
Discharging	Discharging in the U.S. Atlantic (East) Coast Ports and U.S. Gulf Coast Ports as defined in ONEY-101 Rule 1.001
Quantum	USD 1000 per TEU - All dry and refrigerated cargo (including exempt cargo)
Change Effective Date	October 26th, 2024

Remark:

- Subject to relevant government approval.
- Charge is collect at the destination.

Should you have questions, please do not hesitate to contact your local ONE representative.

Sincerely,

Ocean Network Express (North America) Inc.
