

AL5 Service Update – Cartagena W/B omissions – WK45 & WK50

[EUA Advisory](#)

Nov 25, 2024

Dear Valued Customer,

As a result of delays caused by adverse weather conditions and to maintain schedule integrity, a contingency plan was put in place which regrettably includes port omissions.

Below you can find the details of the ports that will be omitted by below AL5 service sailings:

Vessel	Port omission	New ETA arrival
M/V MOL Experience v.0093W	Cartagena WB	03-Jan-2025
M/V NYK Remus v.0077W **	Cartagena WB	02-Feb-2025

Cargo destined for or to be transhipped at Rodman or Cartagena will be discharged during the respective Eastbound calls.

** Cartagena cargo originally planned for the M/V NYK Remus v.0077W loading from Europe is to be transferred to next available AL5 vessel M/V NYK Deдалus v.0089W, ETA 11 January 2024.
