

INTRA EUROPE TRADE IMS (Iberia Morocco Service) UPGRADE

[EUA Advisory](#)

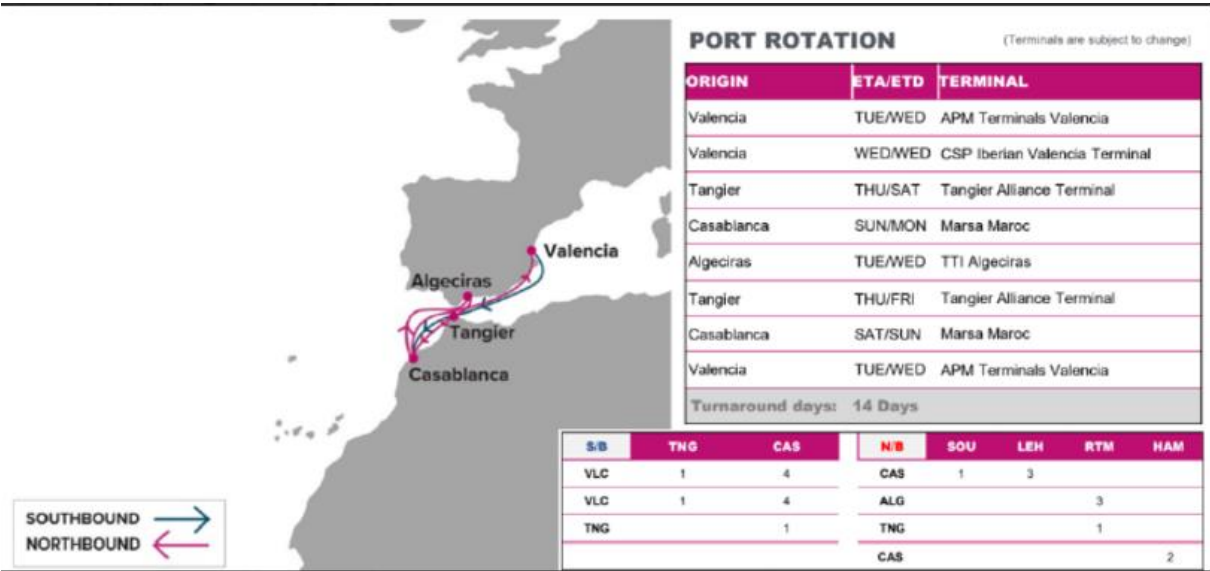

Dec 10, 2024

Dear Valued ONE customer,

Ocean Network Express (ONE) is pleased to announce a significant upgrade to our existing service covering the Morocco market. This enhancement will provide our customers with increased flexibility, wider port coverage and more frequent port calls.

Key features of the upgraded IMS include:

- **Multiple Hub Ports:** Expanded options for transit ports at Algeciras, Valencia, and Tangier, allowing for greater routing flexibility and potentially faster delivery times.
- **Increased Frequency:** Twice-weekly calls at Moroccan ports of Tangier and Casablanca, ensuring more frequent and reliable connections.
- **Enhanced Flexibility:** This service upgrade is designed to better accommodate the diverse needs of our customers, offering more choices and improved scheduling options.
- **Commencement Date:** M/V ONUR G.A v.039 ETA Tangier 19 December 2024

We are confident that this service upgrade will significantly benefit our customers by providing more efficient and reliable access to the Moroccan market.

We value your continued business and look forward to servicing your shipping needs. For further information or assistance, please contact your local ONE representative.
