OOCL's latest product line-up in 2025, following the signing of OCEAN Alliance's Day 9 products.

Since the formation of OCEAN Alliance in 2017, OOCL and its partners have been dedicated to delivering competitive, high-quality services to customers. Before the end of cooperation period, all the partners have agreed to extend our collaboration for at least five more years, until 2032. In an ever-changing market environment, this initiative undoubtedly reflected OCEAN Alliance's confidence in providing customers with stable and reliable services over the long term. Every year, OCEAN Alliance renews its offerings to adapt to changing market demands. With the introduction of the OCEAN Alliance Day 9 products covering Trans-Pacific, Asia-Europe, and Far East-Middle East trade lanes, along with port rotation refinements and new services, we aim to provide world-class shipping solutions to customers, all while enhancing global trade stability and demonstrating our commitment to a sustainable future in shipping.

In addition, OOCL is excited to strengthen our offerings by introducing six Trans-Atlantic services in 2025 in conjunction with OCEAN Alliance partners and other carrier, featuring comprehensive and unique port coverage. This enhancement reflects our commitment to meet your evolving needs.
