

## Introducing the Baltic Express Service (BLX): Enhanced Connectivity for Finland and Latvia via Poland

### Services Updates

We are thrilled to announce the launch of our new feeder service **Baltic Express**, effective from **Week 4**. This new service is expected to provide you with valuable and efficient shipping solutions, by connecting Finland and Latvia via Gdansk.

#### Service Strengths include:

- **Frequency & Reliability Boosted:** Dedicated weekly shuttle between Finland, Latvia and Poland
- **Efficient Transshipment:** Gdansk as efficient transshipment hub connecting CMA CGM loops from/to Asia, as well as from/to Kotka and Riga to Intra-European market
- **Competitive Solutions:** Benefit from quick transit times from/to China, Singapore, Port Klang and Busan

**BLX first voyage started in Gdansk on January 20th, 2025 with m/v "JSP MISTRAL".**

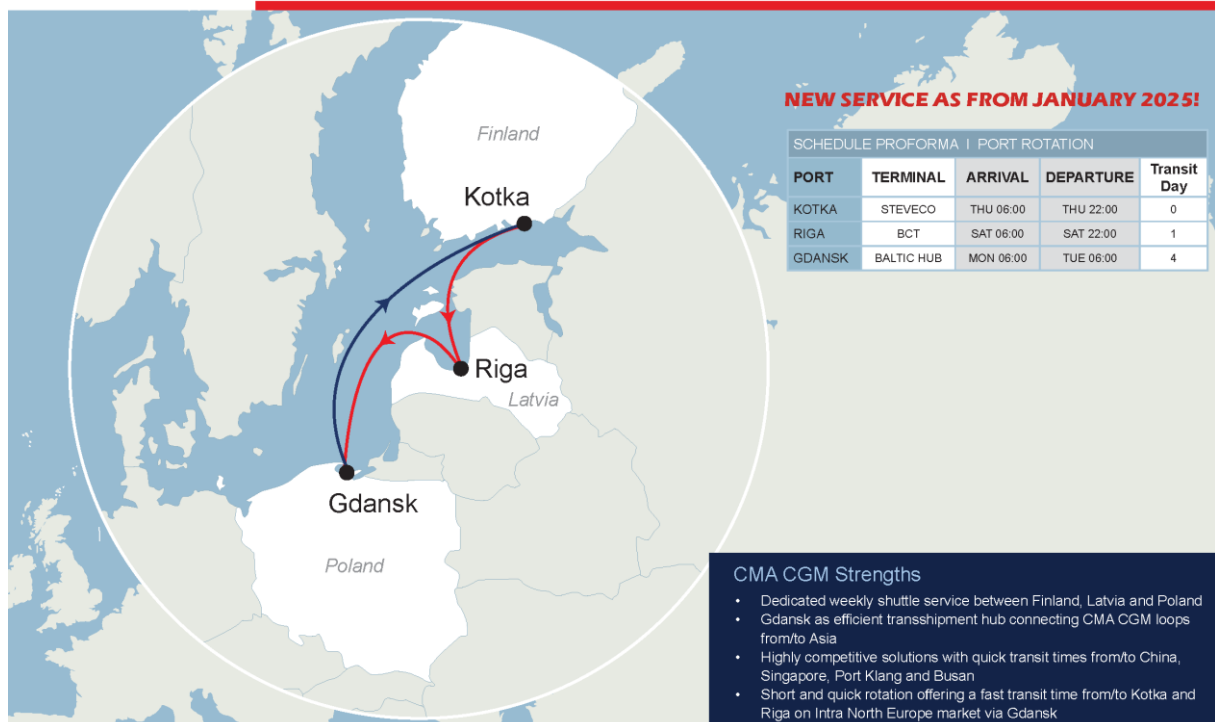

**Next expected departure dates will be the following:**

- **Gdansk:** January 27th, 2025 - Voy. 0C80NE1MA
- **Kotka:** January 30th, 2025 - Voy. 0C80OW1MA
- **Riga:** February 1st, 2025 - Voy. 0C80OW1MA
