Notice of Fee Increase
US Department of Agriculture APHIS Fee

Dear Valued Customers,

Please be aware of the revised Animal and Plant Health Inspection Service (APHIS) fee table published by [the USDA](#). The increases will be yearly on the first of October.

This is a user fee for cold treatment shipments arriving in the US. These services protect US farms and forests from the impacts of foreign pests and diseases. ONE shall collect this charge on behalf of the USDA at cost (shown below) for all containers with Cold Treatment Service provided in order to comply with government regulations.

Fee (in USD)	Effective January 21, 2025	Effective October 1, 2025	Effective October 1, 2026	Effective October 1, 2027
Treatment Monitoring (per container)	\$240.60	\$244.19	\$247.79	\$251.38

*Above fees are in USD.

Please note while the current USDA increase was effective October 1, 2024, ONE will collect the increased amount effective January 21, 2025

Sincerely,
Ocean Network Express (North America) Inc.
