With a five days transit from Ho Chi Minh to Nansha, [ONE](#) said that it aims to set a new standard for speed and service quality by linking Vietnam, Hong Kong, Nansha, and the global marketplace.

The vessel Haian Alfa will be deployed on the service with an expected arrival in Ho Chi Minh City on 16 April. VCX service will offer a 14-day round voyage and weekly frequency.

The port rotation is the following: Ho Chi Minh City- Hai Phong- Nansha- Hong Kong- Hai Phong- Ho Chi Minh City

The service will also connect into ONE's global network.
