

Emergency Operational Recovery to West Africa

Price and Surcharge Updates

Following recent operational constraints faced in Europe and West Africa, and in order to continue ensuring service continuity, CMA CGM wishes to inform its customers of the implementation of an Emergency Operational Recovery surcharge as follows:

Effective April 1st, 2025 (loading date) until further notice:

- **From:** North Europe, West Mediterranean, East Mediterranean, Black Sea & North Africa (including Morocco)
- **To:** West Africa
- **Cargo:** all
- **Amount:** USD 100 per container

Effective April 20th, 2025 (loading date) until further notice:

- **From:** North America, Latin America (including Central America, West Coast & East Coast South America, Caribbean)
- **To:** West Africa
- **Cargo:** all
- **Amount:** USD 100 per container

Please do not hesitate to contact your usual CMA CGM sales teams should you need further information
