Mar 12, 2025

[*12th March 2025*] - Ocean Network Express (ONE), one of the leading global container shipping lines, has made remarkable progress through its targeted investment in **intra-European services, achieving the highest capacity and market share growth** of any carrier over the past 12 months, according to the latest data from **Alphaliner**, the industry's most respected source for analytics. This success is a direct result of ONE's strategic focus on delivering localised services through its robust regional network, positioning the company as a leader in intra-European connectivity.

ONE's growth in Europe is firmly supported by its regional headquarters overseeing operations across Europe and Africa (ONE Europe). This localised presence plays a key role in understanding the unique demands of these vital markets and tailoring solutions that meet the specific needs of customers. By ensuring that services are responsive, flexible and highly relevant to the regions they serve, ONE has been able to achieve unprecedented market share growth.

According to Alphaliner who is renowned for its deep analysis of container shipping industry trends and data, **ONE's market share growth** in intra-European services has been outstanding. In the past year, the company increased its market share from just 1% (11,500 TEU) to 2.6% (over 30,000 TEU). **ONE has emerged as a clear leader, recording the highest market share growth of any carrier**.

In just one year, the global carrier has more than doubled its fleet size in the region, deploying 17 container ships, up from 8. Along with this expansion, ONE has increased its average vessel size by more than 350 TEU, from 1,450 TEU to 1,809 TEU, further reinforcing its commitment to providing high-capacity and efficient services to customers.

"ONE's rapid expansion and significant market share growth are a testament to both our strategic investments in the intra-European market and the strong support and commitment of all our stakeholders," said Dan Miura, General Manager, Product Development & Intra-Europe Trade, Ocean Network Express (Europe) Ltd. "By enhancing our fleet, launching new services and forming strategic partnerships, we continue to strengthen our position as a leading carrier in Europe. We are committed to meeting the demands of our customers and driving further growth in this vital region."

ONE will continue its investment in its intra-Europe services to meet customer needs, expanding its network with the launch of new routes and capacity increases over the coming years.
