

Transatlantic Trade AL5 service - Rotterdam solutions

[EUA Advisory](#)

Apr 23, 2025

Dear Valued ONE customers,

Due to operational constraints our AL5 service will not call at Rotterdam. For your cargo planning, here are the alternative solutions for your export cargoes to North America which are applicable with immediate effect and until further notice.

Option-1: Direct local loading in Antwerp

Option-2: Load in Rotterdam via Antwerp using common Barge service. An arbitrary charge of US\$ 230/20'ft dry, US\$ 280/40'ft dry will be applied. Please note that Barge services are facing significant operational delays for the time being.
