

Adjustment of our Pakistan Services

Services Updates

Due to the ongoing geopolitical tensions between India and Pakistan, we have undertaken a thorough review of our maritime services to ensure the continued reliability and safety of your cargo shipments. These developments have necessitated adjustments to our export and import services to and from Pakistan.

We are also pleased to announce the launch of our updated PIKEX service, enabling robust connections to and from Pakistan, thanks to our strategic hubs in Khalifa and Colombo.

Please consider the following changes as from May 9th, 2025:

PIKEX (New rotation) : Jebel Ali, Khalifa, Karachi, Port Qasim, Colombo, Karachi, Jebel Ali

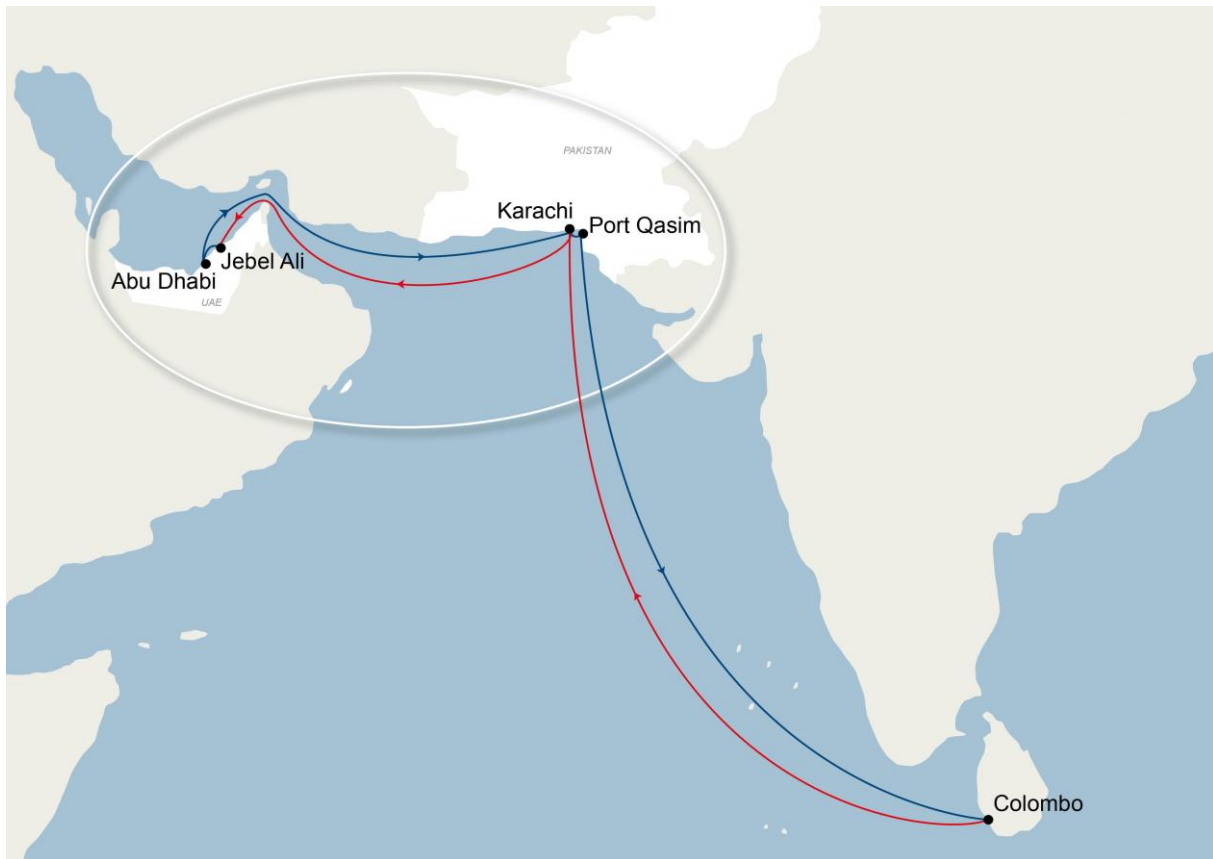

EPIC: Will stop Karachi call and add Colombo call | Rotation: Khalifa, Jebel Ali, Nhava Sheva, Mundra, Colombo, Tanger Med, Southampton, Rotterdam, Hamburg, Antwerp, Dunkerque, Le Havre, Algeciras, Khalifa

MEDEX: Will stop Karachi call | Rotation: Khalifa, Jebel Ali, Mundra, Nhava Sheva, Colombo, Valencia, Piraeus, Malta, Genoa, Fos sur Mer, Khalifa

INDAMEX: Will stop Port Qasim call and add Khalifa call | Rotation: Khalifa, Nhava Sheva, Mundra, Colombo, New York, Norfolk, Savannah, Charleston, Khalifa

AS1: Will stop Karachi call and add Colombo call | Rotation Qingdao, Shanghai, Ningbo, Shekou, Singapore, Colombo, Nhava Sheva, Mundra, Singapore, Qingdao
